

EXIT SURVEY

Dear students,

Greetings from Alumni Cell, CTECH Department, SRM IST!! Time is nearing to bid you farewell and SRM wishes you very good luck in all your future endeavours.

We, are in the process of developing an extensive SRM Alumni database. In this regard, we kindly request you to complete this form that expects some of the valuable information about you like contact information and present profile.

Hope your information will help us in strengthening our alumni database. Thanks for your time and support.

Vision of the Department

1. To become a world-class department in imparting high-quality knowledge
2. To providing students with a unique learning and research experience in Computer Science and Engineering.

Mission of the Department

1. To impart knowledge in cutting edge technologies in part with industrial standards.
2. To collaborate with renowned academic institutions in research and development.
3. To instil societal and ethical responsibilities in all professional activities.

Program Educational Objectives

Program Educational Objectives (PEO) for the Computer Science and Engineering program describes accomplishments that graduates are expected to attain within a few years of graduation.

Graduates will be able to

PEO1: perform in technical/managerial roles ranging from design, development, problem solving to production support in software industries and R&D sectors.

PEO2: successfully pursue higher education in reputed institutions.

PEO3: adapt, contribute and innovate new technologies and systems in the key domains of Computer Science and Engineering.

PEO4: provide ethically and socially responsible solutions and entrepreneurs in Computer Science and other engineering disciplines.

S.No	Questions	Responses	PEO's
PART 1 – PERSONAL INFORMATION			
1	Name		
2	Year of graduation		
PART 2 – EMPLOYMENT STATUS			
3	Registered for placement cell in SRM		
4	On campus placed?		
5	If yes Give company name, If no type as Not placed or not registered		
6	Name of the Employer with contact details (Company name, HR name, Mail id / Phone number of HR/Manager)		
7	Type placed company		
8	Are you planning for Entrepreneurship or start		

	up?		
PART 3 – HIGHER STUDIES			
9	Do you plan to pursue higher education?		
10	If yes, Discipline, or program?		
11	Name of the University		
12	Qualified in NET, SLET, GATE, GMAT, CAT, GRE, TOFEL, Civil Services, State Government Services, Any Other		
PART 4 – SKILLS ACQUIRED AT SRM			
	How well did your education at SRM prepare you for the following?	Strongly Agree	Agree
		No Opinion	Disagree
		Strongly Disagree	
13	Ability to apply mathematics and engineering fundamentals to solve complex engineering problems.		
14	Ability to solve complex engineering problems		
15	Ability to give solution for the engineering problems in various domain.		
16	Ability to design of experiments and analyse the data		
17	Overall knowledge of different software's		
18	Generate alternative approach by applying multidisciplinary engineering challenges.		
19	Ability to give solution for environmental challenges		
20	Conducting work activities in an ethical manner, Resourcefulness and Confidence		
21	Ability to work in a team		
22	Foreign language skills		
23	Ability to lead a team		
24	With technological change, ability to engage in lifelong learning		

Based on the experience you have gone through in your professional life please give your feedback in the format given below.

PART 5 – PEO					
PEO's	Strongly Agree	Agree	No Opinion	Disagree	Strongly Disagree
Graduates will be able to perform in technical/managerial roles ranging from design, development, problem solving to production support in software industries and R&D sectors					
Graduates will be able to successfully pursue higher education in reputed institutions.					
Graduates will have the ability to adapt, contribute and innovate new technologies and systems in the key domains of Computer Science and Engineering.					
Graduates will be ethically and socially responsible solution providers and entrepreneurs in Computer Science and other engineering disciplines.
